IT IS A GOOD REMEDY THAT CAN CURE One DISEASE

Beware of those who claim they can cure everything from Typhoid Fever to House Maid's Knee. Most of these Cure Alls are now advertising to cure Catarrh. They were not prepared for this disease and therefore they should not be taken by catarrh patients. Would a first-class physician make one prescription and give it to all of his patients for every and all diseases that he may be called upon to prescribe? What would you think of him? These Cure Alls are just the same—QUACKS.

HALL'S CATARRH CURE

was made especially to cure catarrh, and is never prescribed for any other disease. It is a SUBE CURE.

F. J. CHENEY & CO.—Gentlemen: I take great pleasure in recommending your Hall's Catarrh Cure. Have taken three bottles which I purchased of Mayo's Drug Store, Chestnut street, Gardner, and can truthfully state that I am entirely cured of catarrh. When I resided in the city of Northampton about two years ago, I consulted the leading doctor regarding my case and he operated on me, sawing out two spur bones out of my nose, which, he said was the cause of my catarrh. Well, I felt some relief for a while but the mucous kept dropping in my throat continually. When I would arise in the morning I would blow out hard, thick crusts of mucous from my nose which had formed during the night. I went to the doctor again and he told me it was impossible to cure me as the ailment was so far up in the nose that he was afraid of injuring my brain by further operations. So I gave up all hope of ever being cured until I had Hall's Catarrh Cure recommended to me. I purchased a bottle with little faith in it, but I can almost say I began to feel better from the first dose until now I am entirely cured. Have waited one month before writing this testimonial to see if any effects of the malady would return. But not the slightest effects of it do I feel and I am

confident that if it will cure a case like mine, it will cure anyone. Now when my friends ask me what makes me so fat lately I tell them Hall's Catarrh Cure. Yours respectfully,

JOHN J. FLETCHMAN,

Gardner, Mass.

With Heywood Bros. & Wakefield Co.

F. J. CHENEY & CO., Toledo, O.: With the greatest pleasure I desire to let you know that I procured a bottle of Hall's Catarrh Cure for deafness and head-noises of fifteen years standing, and that the noises are almost stopped and I can hear my watch tick. I have paid out hundreds of dollars for all sorts of medicine which have done me more harm than good. It seems too good to be true that part of a bottle would do so much good. But it is the truth and nothing but the truth. I am going to use at least six more bottles before I stop. Yours truly,

DAVID DEPPEN,

Austin, Pa.

F. J. CHENEY & CO.—Dear Sir: I take pleasure in informing you that I have used Hall's Catarrh Cure, and it is worth its weight in gold. I will recommend it to anyone suffering from this disease. Yours truly,

JAS. GEITGEY,

Wooster, Ohio.

Write for testimonials. Sold by Druggists for 75c.

F. J. CHENEY & CO.,

TOLEDO, OHIO.

DEAFNESS

SHALL WE
HELP YOU?

A great many people are afflicted
with Catarrhal Deafness.

HALL'S CATARRH CURE

Will cure any case of deafness caused by catarrh.
We offer

ONE HUNDRED DOLLARS REWARD

For any case it will not cure. Others have been cured, why not you?
Hall's Catarrh Cure is taken internally and acts directly upon the blood and
mucous surfaces, expelling the poison.

Remove the cause and the effect is marvelous.

F. J. CHENEY & C.—Dear Sirs:—I
have taken two bottles of Hall's Ca-
tarrh Cure and consider that I am
cured. I can hear as well as anyone
and am greatly pleased with your medi-
cine. I remain your truly,

GEO. SWETT,

F. J. CHENEY & CO.—Dear Sirs:
I deem it my duty to write you a line
regarding your wonderful medicine,
Hall's Catarrh Cure. I have been af-
flicted with the dreadful disease for
the past twelve years. I have used
three bottles which have had a marvel-
ous effect. My hearing has been fully
restored and I now feel better than
I have for the past five years, in every
respect. I feel sure that the use of a
couple more bottles will make the cure
a permanent one. I take great pleas-
ure in recommending your medicine to
my friends. Anyone wishing to hear
from me, may write and I will reply.
I remain yours truly,

JNO. E. REED,
Kendallville, Ind.

F. J. CHENEY & CO.—Dear Sirs: I
had been afflicted with catarrh for over
fifteen years. Last April I was nearly
deaf from the effects of it. I took three
bottles of Hall's Catarrh Cure and I
believe I am permanently cured, for I
can hear as well as ever and have no
symptoms of catarrh. I write you to
ask if you will give me an agency for
your medicine, as I am a traveling
agent and believe your Hall's Catarrh
Cure is the best medicine on earth, and
think I could handle it to good advant-
age. I am yours,

A. N. BARNETT,
Ackworth, Iowa.

My little son, eight years old, has
had catarrh almost all his life. He
had pains in his head, his eyes were
affected, his ears seemed to be dry
and hard and there seemed great dan-
ger of his losing his hearing. I bought
a bottle of Hall's Catarrh Cure, and
he commenced to improve from the
first dose. I recommend it to anyone
in need of a catarrh remedy. Yours
truly,

JACOB BURRIS,
Westfield, Ind.
