Dear Sir & Brother:-

We are enclosing herewith two Charity Fund Benefit tickets, price One (\$1) Dollar each, which are exchangeable at the box office for regular coupon seats. It is now over two years since any affair has been held to secure funds for this worthy Charity, and we are counting on the hearty support of every member of the Organization to make this entertainment a great financial success. Some of the greatest stars in the theatrical world have already volunteered their services and the success of the show from an artistic standpoint is already assured.

A beautiful souvenir program of the occasion will be published and advertisements are to be secured at the following rates; viz., full page Thirty (\$30) Dollars, half page Fifteen (\$15) Dollars, quarter page Ten (\$10) Dollars, eighth page Five (\$5) Dollars. A number of artists have taken space for their cards and should you desire to be represented we should be pleased to have you sign the enclosed contract and send it in to us with a money order for the amount of advertising desired.

The Committee begs to request that you communicate immediately with the undersigned enclosing a remittance for two tickets and space in the program so that there may be no unnecessary delay in making this affair a positive success.

With very best wishes, we remain,

Fraternally yours,

Charity Fund Committee,

By

Joseph W. Standish

Secretary.
